Sec: A

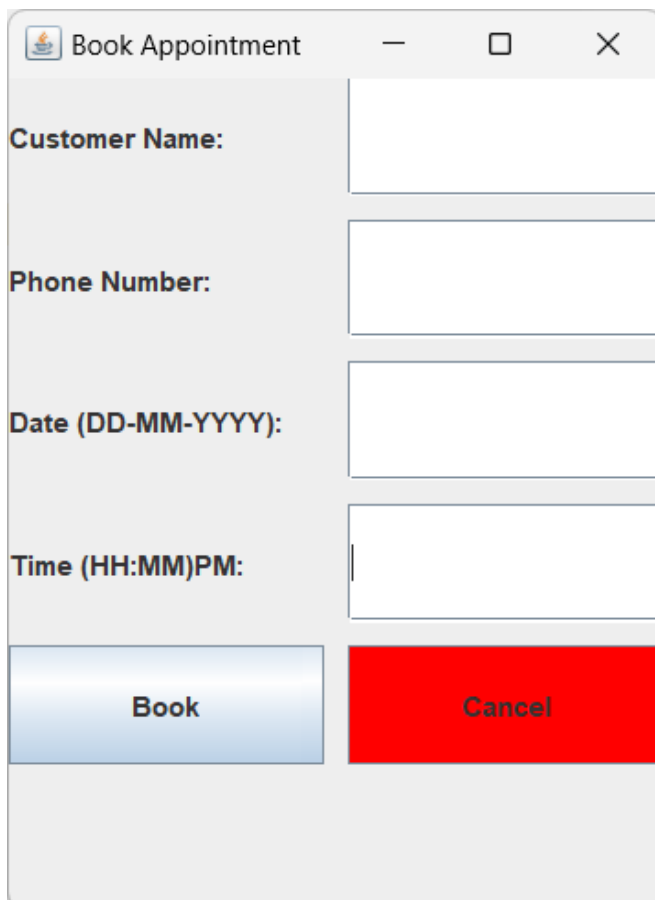

Q1:

The main window

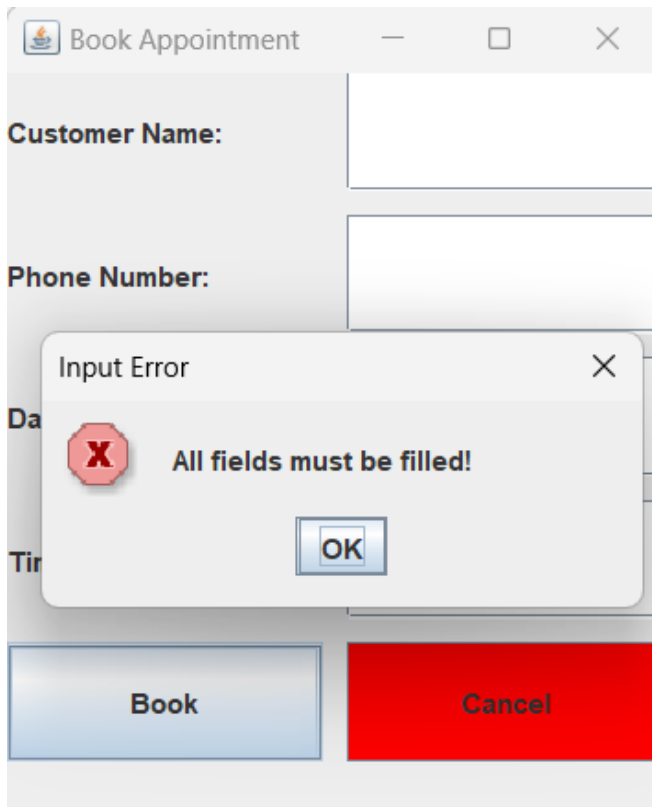

Q2:

The book appointment window

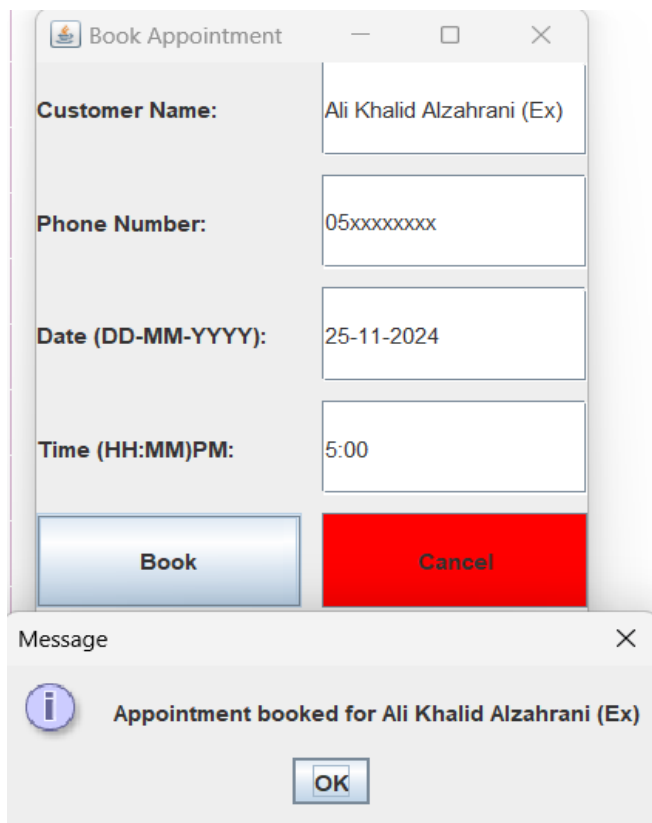

The image shows a software window titled "Book Appointment". The window has a light gray background. It contains four text input fields arranged vertically. To the left of each field is a label: "Customer Name:", "Phone Number:", "Date (DD-MM-YYYY):", and "Time (HH:MM)PM:". Below the input fields are two buttons: a blue "Book" button and a red "Cancel" button.

The user needs to fill all requirements

The screenshot shows a window titled "Book Appointment" with a light gray background. It contains four input fields: "Customer Name:", "Phone Number:", "Date (DD-MM-YYYY):", and "Time (HH:MM)PM:". Below these fields are two buttons: "Book" (blue) and "Cancel" (red). An "Input Error" dialog box is overlaid on the window, featuring a red "X" icon and the text "All fields must be filled!". The dialog box has an "OK" button.

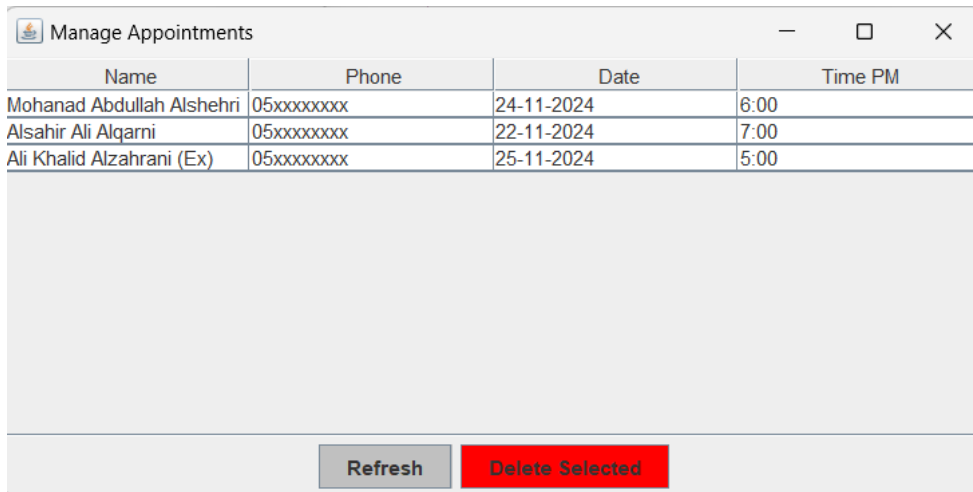

The user could book if all requirements filled

The screenshot shows the "Book Appointment" window with the following data entered in the fields: "Customer Name:" is "Ali Khalid Alzahrani (Ex)", "Phone Number:" is "05xxxxxxxx", "Date (DD-MM-YYYY):" is "25-11-2024", and "Time (HH:MM)PM:" is "5:00". The "Book" button is highlighted. A "Message" dialog box is overlaid on the window, featuring an information icon and the text "Appointment booked for Ali Khalid Alzahrani (Ex)". The dialog box has an "OK" button.

Q3:

The Management Appointment Window

Name	Phone	Date	Time PM
Mohanad Abdullah Alshehri	05xxxxxxxx	24-11-2024	6:00
Alsahir Ali Alqarni	05xxxxxxxx	22-11-2024	7:00
Ali Khalid Alzahrani (Ex)	05xxxxxxxx	25-11-2024	5:00

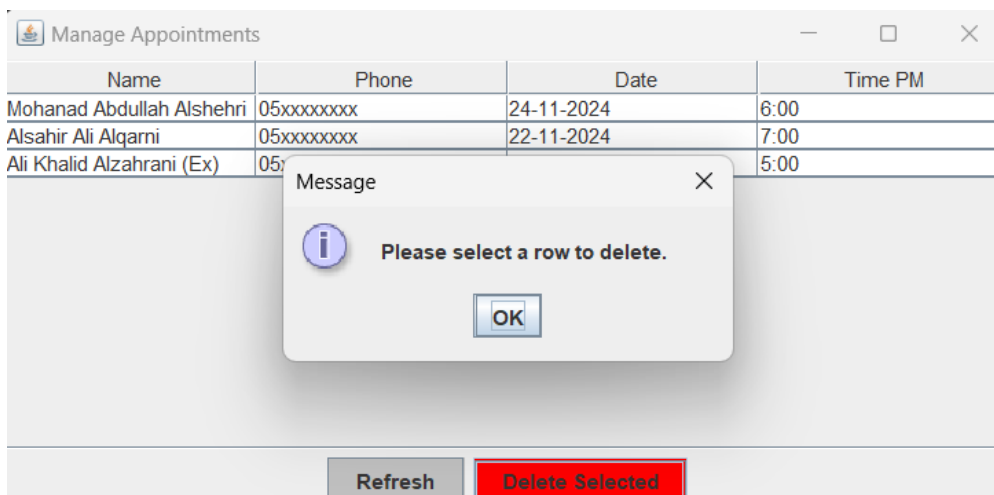

Refresh Delete Selected

From here the user can see his appointment, and if the user can't go to an appointment or he changed his mind he can simply cancel his appointment by deleting it.

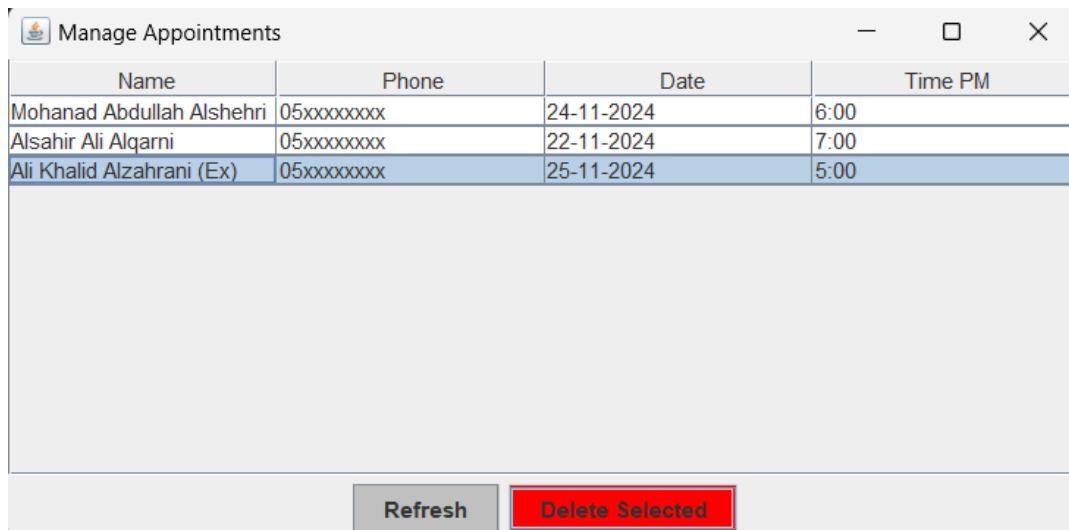

First you need to select the appointment.

(if you don't select the appointment, you can't delete it)

This is what happens when you don't select the appointment to delete

The appointment row need to be selected in order to delete it.

Now the appointment row is selected you can delete it by clicking on refresh and then delete.
